

DOWNTOWN DUBLIN INVESTMENT & NEW LIBRARY

Demolition and site preparation activities began in December for the new, state-of-the art, Columbus Metropolitan Library Dublin Branch. In addition to the 42,000 square foot library building, this project includes a 550-space public parking garage and several roads, including the new Rock Cress Parkway, North Franklin Street and a rebuilt west North Street.

Rock Cress Parkway

- Open as of early June 2018

North Street

- Opens mid-August 2018

Franklin Street

- Under construction: Opens spring 2019
